Rasika Ghatpande
Junior Front-end Developer

I have a keen interest in programming, website and app building i switched my career from commerce to IT. I have tried n amount of things in this field and decided to choose this as my career .

Experience

○ **Jun2021-Aug2021**

Wolfx Digital Agency l Mumbai
Junior Front end Developer

I specialized in crafting website templates and front-end designs. My role involved utilizing tools like Figma to bring innovative ideas to life, enhancing user experiences. I collaborated closely with the team, ensuring seamless and user-friendly websites.

Certifications

○ Full stack developer | GeeksforGeeks
Html |Css |Javascript |Reactjs |Nodejs | MongoDB
Show Credentials
This was a top up to the previous full stack website. Having a prior knowledge in website building i tried some new things and added some new features in my website. .

○ Core Java | NIIT
Opps |Dbms |Loops |Object oriented programming
I learned programming language with understanding the basic concepts like loops, print patterns,operations,data types,conditional statements, oops,etc

○ Full stack developer | Edureka
Html |Css |Javascript |Reactjs |Nodejs | MongoDB
Show Credentials

In the span of 4 months i got to learn from scratch the three ends of a website (front-end, back-end and database) and created a real world project with the skills learned .

○ Ux Design | GrowthSchool
Figma
Show Credentials
I attended 14 days workshop of Growthschool and learned all the basics of ui and ux design.

Project

○ Birthday Bash | Frontend website
Html |Css |Bootstrap

Created a front-end website as a token of gift to always remember by my family member and to cherish it.   it is also hosted and uploaded aon linkedin. it is a great way to impress your loved ones by using your skills

Hobbies

○ **Yoga**
Freelancing as a certified yoga instrcutor past 2 years

○ **UI\UX**
I have used figma and adobeXD to improve my design skills

○ **Event organisation**
In my college span of 5 years i have been a volunteer, sub-hod, anchor and hod in the college events and have a deep understanding of how event is organised.
